MISSION

The Division of Fire Safety provides proactive statutory enforcement, regulatory oversight and education to protect all lives and property from the devastation of fires, explosions and life safety perils.

CERTIFICATION PROCESS

The guidelines for the state certification program are designed to ensure accountability, consistency, and credibility of instruction, testing, and certification of fire fighters in the State of Missouri.

The main goals of the Certification program are:

1. To raise the level of fire protection for the State of Missouri.
2. To improve training and education for the fire service of Missouri.
3. To establish minimum basic training standards for fire protection personnel.
4. Issuance of certificates to persons who complete requirements for certification and pass the required state examinations.
5. To maintain records of persons who have obtained state certification.

Fire Officer Certification is provided through the Missouri Department of Public Safety, Division of Fire Safety. The Missouri Division of Fire Safety shall certify officers based on a combination of requirements and qualifications.

The Missouri Division of Fire Safety subscribes to the policy of nondiscrimination in areas of race, color, religion, sex, age, national origin, or disability. Entry level qualifications are reviewed to ensure that each applicant meets the specified requirements.

FIRE OFFICER CERTIFICATION PROGRAM

Fire Officer Certification

Certification is granted to those individuals who meet the required qualifications and successfully pass the appropriate Fire Officer certification examination. The requirements for Fire Officer are based on the Standard for Fire Officer Professional Qualifications, NFPA 1021-2009. All qualifications must be met and documentation supplied to the Division of Fire Safety prior to admission to the examination.

Applicants have one year from the time of course completion to complete the certification process.

I. Applicants General Requirements for Fire Officer I & II Certification

Certification as Fire Officer will be issued to those individuals who have met the following guidelines and provided documentation verifying:

- A. Applicant must be certified by the Missouri Division of Fire Safety as a Fire Fighter II according to NFPA 1001-1992 Standard or later.
- B. Instructor Certification - Applicant must hold current certification with the Division of Fire Safety as a Fire Service Instructor I or higher.
- C. Applicant must provide verification that he/she has three years of active service within the fire service OR a letter of recommendation from the Fire Chief of his/her department.
- D. Applicant must be a resident of Missouri, or employed with a fire department within the State.
- E. Applicant must have completed an approved Fire Officer training program according to NFPA 1021-2009, and provided verification of successful completion of the course and all required practical skills. All practical skills must be submitted to the Division of Fire Safety for final approval.
- F. Applicant must attain a minimum score of 70% on the appropriate level of the Division of Fire Safety's Fire Officer certification examination.
- G. Prior to obtaining certification at the Fire Officer II level, the applicant must first attain Fire Officer I certification.

FIRE OFFICER CERTIFICATION PROGRAM

II. Fire Officer Guidelines for Course Approval

The Division of Fire Safety will approve courses for the purpose of meeting the requirements of fire officer levels according to the following guidelines:

- A. The course must be approved by the Division of Fire Safety as meeting or exceeding the appropriate level of NFPA 1021-2009.
- B. The Lead Course Instructor must provide verification that the candidate has successfully completed the course and all required practical skills. The students completed practical skills books must be sent to the Division of Fire Safety within two months after the completion of the course.
- C. Training records for the course shall be maintained by the department and/or Lead Course Instructor.
- D. The Lead Course Instructor and/or department shall agree to inspection of course records during regular business hours if deemed necessary by the Division of Fire Safety.

FIRE OFFICER CERTIFICATION PROGRAM

III. Requirements of Lead Course Instructor

The Lead Course Instructor is defined as the individual responsible for course scheduling, arrangement of assistant instructors, and documentation for the course.

- A. Certification by the Division of Fire Safety at the Fire Officer level to be taught. The Fire Officer requirement may be waived at the request of the Chief Officer of the authority having jurisdiction in the event no one on the department meets this requirement. It is then suggested that the instructor take the appropriate Fire Officer certification exam with the class.
- B. Five years of experience with the fire service, three of which must be in an officer position.
- C. Certification as a Fire Service Instructor I (or higher) with the Division of Fire Safety.
- D. Responsible for all training records, course applications and practical skills.
- E. Lead Course Instructor must meet all requirements listed in Section I of this booklet.

FIRE OFFICER CERTIFICATION PROGRAM

IV. Approved Courses & Test Eligibility

The candidate for state certification must have attended one of the following courses in order to be eligible to take the written Certification Exam:

- A. Successful completion of a Division of Fire Safety approved Fire Officer I and/or Fire Officer II course formatted to meet NFPA 1021-2009, including a successful score of 70% or better on each section of the written course quizzes. Completed practical skills must be submitted to the Division of Fire Safety and a passing score achieved for each practical skill prior to certification being issued.
- B. The National Fire Academy's Executive Fire Officer Development Course.
- C. Successful completion of a MU Fire and Rescue Training Institute Fire Officer I and/or Fire Officer II course, including a successful score on the written course exam. Completed practical skills must be submitted to the Division of Fire Safety and a passing score achieved for each practical skill prior to certification being issued.
- D. A Bachelor's degree in Fire Service Administration or Public Administration from an approved college or university.

Note: Students are eligible to take the written certification exam after the Division has received confirmation the student has successfully passed the classroom portion of the course.

All other courses must be submitted as outlined in item V. "Procedure for Course Approval" and reviewed for approval by the Division of Fire Safety prior to acceptance for the certification exam.

FIRE OFFICER CERTIFICATION PROGRAM

V. Procedure for Course Approval

- A. If you are wanting to conduct a Fire Officer Course within your department or agency, and you are using one of the approved curricula listed on the previous page, you must submit an "Application Course Delivery" form (enclosed) detailing when and where the course is to be delivered, course completion date, Lead Course Instructor, and the department/agency responsible for record keeping.

NOTE: Courses will not be approved for departments that have not complied with the Missouri Statutory requirement of yearly registration with the Division of Fire Safety.

- B. If you are submitting a new course for approval, you must submit the following for review:
1. Instructor's Guide
 2. Text
 3. Student Workbook
 4. Tests
 5. A completed matrix outlining how the course material meets every element of Job Performance Requirements, Requisite Knowledge and Requisite Skills of NFPA 1021-2009

IMPORTANT: The Division of Fire Safety's Fire Officer I and II practical skills must be used for all courses. The Division of Fire Safety will keep all material submitted on file after approval has been granted. The Division shall be notified of any change or revision in course content or support materials.

FIRE OFFICER CERTIFICATION PROGRAM

VI. Applying for Testing and Certification

A. Applicants may apply for testing and certification by completing the enclosed "Application for Testing and Certification" form. The application *must* include the following for certification consideration.

1. Applicant must provide full name and personal information
2. The Lead Instructor must indicate successful Fire Officer I and/or II course completion.
3. The Fire Chief must attest that the applicant has met the criteria established by the Division of Fire Safety and NFPA 1021-2009.

B. Applicant must complete an "Authorization for Release of Information" form (enclosed).

C. Applicant must submit a copy of a certificate/training record verifying his or her successful completion of an approved Fire Officer program. Documentation of successfully completion of all practical skills must be submitted prior to certification being issued.

D. Individuals may apply for testing by selecting a location listed under the calendar of events posted on the Division's website at www.dfs.dps.mo.gov. or by calling 573-522-2426.

FIRE OFFICER CERTIFICATION PROGRAM

VII. Administration of the Fire Officer Certification Examination

The **Fire Officer Certification Examinations** will be generated and administered at least twice annually by the Division of Fire Safety. The certification exam bank is referenced to NFPA 1021-2009, Division of Fire Safety approved Fire Officer I and/or Fire Officer II course, *Fire Officer Principles and Practice*, Second Edition, Jones and Bartlett Publishers. Applicants must take the certification exam within one year of completing the appropriate course.

SAMPLE TEST QUESTION

Emergency scenes are divided into three operating zones.
They are _____.

- a. action, staging, and standby
- b. operations, staging, and command
- c. hot, warm, and cold zones
- d. divisions, sectors, and command

Applicants will have 2 hours to complete the 100 question, multiple-choice test for each level. Following completion of the written examination, applicants will be notified by the Division as to whether they passed or failed. The applicant must achieve a score of 70% on the exam in order to qualify for certification. No record will be made or kept of an applicant's percentage score from the examination. Tests and scores shall be destroyed following scoring.

In the event that an applicant fails the examination, the applicant may apply to retake the exam within one year from the course completion date. Should an applicant fail the exam a second time, he or she will be required to attend and successfully pass an approved Fire Officer training course and submit documentation of which to the Division of Fire Safety prior to taking the exam a third time.

Applicants must successfully pass all of the Division of Fire Safety's practical skills conducted during the completion of an approved course. It is mandatory that all of the skills and supporting documentation be submitted to the Division of Fire Safety within *two months* of completion of the course. Following receipt by the Division, all of the skills will be reviewed and evaluated to determine whether the applicant has passed or failed the skills exam. Applicants will be notified by the Division of only pass or fail status following evaluation of their individual skills.

FIRE OFFICER CERTIFICATION PROGRAM

VIII. Applying for Fire Officer Equivalency/Reciprocity

For both Equivalency and Reciprocity, the candidate must mail in all documentation. Application must be original; all other documentation may be copies. The Division of Fire Safety will not accept any faxed or emailed applications.

Equivalency

Individuals not holding certification accredited by the International Fire Service Accreditation Congress (IFSAC) or the National Board on Fire Service Professional Qualifications (ProBoard) must comply with the following guidelines:

- A. Candidate must complete the appropriate application and attach supporting documentation.
- B. The candidate must be a member of a Missouri Fire Department and must have the signature of the Fire Chief in order to request reciprocity.
- C. Candidate must submit documentation of training and testing that complies with each component of the appropriate NFPA Standard for desired level of certification. Documentation must be dated within the last 5 years.
- D. Candidate must successfully pass the Division of Fire Safety's written exam with a minimum score of 70% for desired level of certification and practical skills exam, where applicable.
- E. Applicant must meet the general requirements for certification as outlined in the appropriate certification booklet.

Reciprocity

Individuals holding certification accredited by the International Fire Service Accreditation Congress (IFSAC) or the National Board on Fire Service Professional Qualifications (ProBoard) must comply with the following guidelines:

- A. Candidate must complete the appropriate application and attach supporting documentation.
- B. Certificates must clearly indicate IFSAC or ProBoard Accreditation for the level of certification.
- C. Provide the Division with written verification from the non-Missouri certifying authority that the applicant's certification is current, valid and in good standing.
- D. The candidate must be a member of a Missouri Fire Department and must have signature of the Fire Chief in order to request reciprocity
- E. Applicant must meet the general requirements for certification as outlined in the appropriate certification booklet.

The Missouri Division of Fire Safety Training Division will review and verify all documentation. Once documentation has been reviewed and verified to meet the certification criteria, the candidate will be issued reciprocity. If documentation does not meet the certification requirements, the candidate will be denied reciprocity. The candidate would then be required to complete an approved training program and meet all certification requirements including but not limited to, passing written and practical skills certification exams.

FIRE OFFICER CERTIFICATION PROGRAM

IX. Saving Clause

The qualifications developed in this program shall not be used to render invalid any rank, qualification, or appointment acquired prior to the adoption of this program.

X. Suspension, Revocation, or Denial

The Director of the Division of Fire Safety may suspend, revoke, or deny certification to any fire officer when it is found that the individual:

- A. Has knowingly made a material misrepresentation of any information required for certification at any level offered by the Division of Fire Safety.
- B. Has knowingly by any means of false pretense, deception, fraud, misrepresentation or cheating, obtained training or certification.
- C. Has been convicted of or pleaded guilty to a felony.
- D. Fails to achieve a score of 70% on the Division of Fire Safety certification exam or pass all of the required practical skills.

All certifications currently held by the individual will be reviewed.

XI. Appeal Process

Upon the revocation or denial of a certification level, the decision may be appealed in writing to a Board of Appeals within 45 days of the date of the revocation or denial letter.

The Appeal Board will be made up of the following:

1. Two representatives of the Missouri Division of Fire Safety, Missouri Fire Safety Education/Advisory Commission appointed by the State Fire Marshal.
2. A representative of the Missouri Department of Public Safety appointed by the Department Director.

The Appeal Board may elect to:

1. Deny the appeal without action
2. Make a recommendation to the Director of the Division of Fire Safety from the written appeal
3. Hold an informal appeal hearing with the individual revoked or denied certification

The Appeal Board shall notify the Director of the Division of Fire Safety and the individual submitting appeal within 90 day of receipt of the appeal.

Failure of any state certification exam **SHALL NOT** be grounds for an appeal.
